## BIOGRAPHY

Andi Beat is a DJ and producer from Frankfurt am Main. He has been active in the electronic music scene for over eight years and has performed at numerous events / clubs across Germany. Originally inspired by the flourishing EDM scene and the key sound of the 2010s, he has specialized over time in the genres of House and Techno. Today, his style is defined by a unique blend of Deep House, Melodic House, Tech House, and Techno.
